Directions to the HIT Lab NZ (University of Canterbury)

**By Foot**

**By Car**

**By Air**

The closest airport to HIT Lab NZ is Christchurch International Airport. Bus 29 and 10 will take you to the city center from the airport (see the next section for coming by Bus from the City to the Lab). The cost is $7.00 per person or $12 return.

You can also get a taxi to come directly to the lab (around $20.00). The closest carpark to be drop off is the one in front of the Physics building, accessible by Creyke Road, Engineering Road entrance of university.

**By Bus**

Bus 3 and 21 will take you from the city centre to the university bus stop on Ilam Road.

You can also take the Orbiter (green bus) or Metrostar (orange bus) which both loop around the city. The Orbiter stops on Ilam Road and the Metrostar has a stop inside the university on University Drive.

Check this website for more bus details: http://www.metroinfo.org.nz/

**By Bike**

Bike stands are available at the south side of the HIT Lab NZ building. There is also a secure bike locker area for university students.

**By Car**

If you are university staff the best parking is the one in front of the Physics building on Engineering Road, accessible by Creyke Road entrance.

If you are a visitor you need to park in one of the visitor parking and ask a coupon from the security office. The closest parking is the Engineering Road Carpark, accessible from both Creyke Road and Ilam Road. Please park and come to the lab, we can give you information about the coupon.
